

## Personal Integrity Statement

I acknowledge that my career and my life must have a purpose greater than serving myself. My goal will be to serve the greater good by surrounding myself with people and resources to create value that no single individual can build alone.

Therefore I promise:

I will act with utmost integrity and pursue my work in an honest and ethical manner.

I will obey the letter and spirit of the law.

I will take responsibility for my actions and consider the effects on others  
I will be accountable to myself and to my peers for living by this oath. This oath I make freely, and upon my honor.
